Cumbria In Bloom Special Award

CIB have agreed to introduce a new 'Special Category' during 2012. This is to mark the occasion of both The Queen's Diamond Jubilee and the carrying of the Olympic Torch through the County.

Competing Towns and Villages, within the main Competition, are invited to nominate an entry for a one off '**Queen's Jubilee/Olympic Games Trophy**'. Unlike the other Special Categories, which are competed for on an annual basis, this trophy will be retained by the winner in perpetuity.

This will be judged in the same way as other Special Categories and will be judged at the same time.

Judges will be looking for features that celebrate either (or both) of the above important events. This can be a temporary or permanent feature. Entries can include horticultural; environmental or landscaping projects, which are allied to our normal activities. Marks will be gained for innovative new ideas and for schemes that encourage the participation of wide sectors of the community.

Marking Sheet for above

	<u>Poss. Marks</u>
1. Overall impact of the project	30
2. Representation of the theme and innovation	25
3. Quality of the work involved and standard of maintenance	25
4. Involvement of wide sectors of the community	20
